
ASCOT REHAB

WELCOME TO ASCOT REHAB

We specialise in rehabilitation for adults and children with neurological conditions such as traumatic brain and spinal cord injuries, stroke rehabilitation, peripheral nerve injuries and muscle disorders.

We also provide Musculoskeletal and Amputee Rehabilitation Services for both adults and children.

With our Head Office based in London, whilst our inpatient Neurorehabilitation Hospital in Bagshot, Surrey and an outpatient and outreach service, we are conveniently placed to welcome patients from London and surrounding counties, wider UK and overseas.

ASCOT REHAB

RECOVERY THROUGH EXCELLENCE

At Ascot Rehab, we provide the highest quality, consultant-led rehabilitation and care for privately referred patients from embassies, governments, legal firms and health insurance companies, as well as self-pay patients referred to us by their consultant.

WE PROVIDE THREE TYPES OF SERVICES:

- Inpatient services
- Outpatient services
- Outreach services (at home therapy)

INPATIENT CARE

We provide every patient with a bespoke package tailored to meet their individual needs, which is overseen by an Ascot Rehab Consultant.

EVERY STAY INCLUDES

- Luxury accommodation in a private room with en-suite shower room
- A gourmet menu, which can be adapted to meet special diets, including Western, Middle-Eastern, Vegetarian, Diabetic, Kosher and Halal
 - Consultant care • 24-hour Medical and Nursing care
 - Family support • Interpreter service

MULTIDISCIPLINARY TEAM THERAPY (MDT)

- Occupational Therapy • Neuropsychology • Physiotherapy
 - Speech and Language Therapy • Hydrotherapy
 - Art & Music Therapy
 - Goal setting meetings

A HOME AWAY FROM HOME

We believe that for effective rehabilitation, it is important for our patients to feel that they are staying in a welcoming environment; a home away from home. As such, we encourage our patients' families to be involved in their care and to learn about their therapy requirements as much as possible.

WE FACILITATE THIS BY:

- Providing a visitor lounge
- Offering flexible visiting hours
- Teaching family and friends about care needs to support patients post discharge

HOSPITAL FACILITIES

- A daily choice of freshly prepared cuisine
 - Wi-Fi access & Fax machine
- Residents lounge & reading material
 - Hydropool for therapy use
 - Large physiotherapy gyms

ACCOMMODATION

- Private room with en-suite shower room
- Satellite TV with European & Middle Eastern channels
- Coffee and tea making facilities
 - Telephone
 - Refrigerator

SERVICES & AMENITIES

- Airport transfers
- Taxi & limousine service on request
 - Private Ambulance
- Beauty & grooming treatments

Feeling at home can be difficult for patients who are far from their familiar surroundings, and so, we provide an add-on service for overseas and UK based patients to make transition easier.

- A liaison service with embassies, international institutions and organisations
 - Interpreter & Coordinator service
 - Health insurance assistance
- Transport to and from airports, hospital and hotels
 - Preferential room rates at local hotels for family and friends
- Transport for family and friends to and from London
- A list of entertainment nearby for family and friends (shopping, restaurants and spas)

OUR ADDITIONAL SERVICES

OUTPATIENT CARE

Full Rehabilitation Services offered from our outpatient facilities are fully equipped with modern rehabilitation equipment and provide all Rehabilitation Services from Physiotherapy, Occupational Therapy, Speech and Language Therapy and Psychology.

OUTREACH CARE

We provide an outreach service for patients in London and surrounding counties who prefer to receive this service in their own home. Ideal for those with busy social, work or care arrangements, our therapists will plan assessments and subsequent therapy sessions to suit a patient's availability.

ASCOT REHAB PAEDIATRIC CENTRE

Based at 55 Wimpole Street, our new state of the art Paediatric Outpatient Facility is equipped with the most modern rehabilitation equipment provided to children and young adults.

ASSESSMENT AND REHABILITATION

- Patients with Neurodevelopmental Conditions and other Neurological Conditions
 - Cognitive, physical and emotional impairments resulting from brain injury
 - Musculoskeletal (MSK) and Amputee Rehab
 - Special education for children and young adults with learning needs
 - Training and education to family and professionals

OUTREACH REHAB SERVICES

We can provide an outreach service for children and young adults who require therapy in the comfort of their own homes.

OUR TEAM

Working as a multidisciplinary team means that our patients benefit from an integrated care package, which we believe is essential to helping each person achieve their full potential, improving their wellbeing.

CONSULTANTS

All of our consultants are highly qualified specialists. They include Rehabilitation Consultants, Neurologists and Neuropsychiatrists with years of experience in their field.

INPATIENT TEAM

Our inpatients' care needs are looked after by our skilled nursing team, overseen by our Head of Rehabilitation.

ADMIN TEAM

Our friendly multinational team at Head Office will be pleased to assist should you have with any queries regarding Ascot Rehab and the services we offer.

NEUROTHERAPY TEAM

Our highly experienced Neurotherapy Team and their associates are renowned in their field. They have extensive experience in private and national hospitals and neurorehabilitation centres in and around London. Their disciplines cover Physiotherapy, Occupational Therapy, Psychology and Speech and Language.

OTHER SPECIALISMS

We have close working relationships with other healthcare professionals such as Dieticians, Pharmacists and Specialists in a number of medical disciplines. We can provide a number of these services as part of a bespoke patient package.

REFERRALS

We understand that every patient's needs and circumstances differ. We accept patients from a wide range of referrers, and will work closely with each of them to identify the best solution possible for every patient. Our packages are tailored for each patient.

EMBASSY REFERRALS

Please contact our Head Office for assistance regarding your patient.

LEGAL FIRMS REFERRALS

We will need to discuss referrals in advance of any admission so that we can include the correct level of care and therapy.

PRIVATE INSURANCE REFERRALS

Some health insurance companies will fund rehabilitation in full or cover a period of inpatient rehabilitation.

SELF-FUNDED REFERRALS

Consultants are welcomed to refer their patients directly to our Head Office or our hospital staff.
